

Name: Amanda Leigh Mattimoe

Poem # 47

Re: Quilt #1

Our Histories are a Collage

will you lay me down
beside the Beautiful Gates

will I gain entrance
 where eons ago
others were denied

where the gathered
 dead await
where prophets cry

where the worthy
 and unworthy
 come before judgement

will we see
 familiar faces
recognize places

will we listen to
 tales of multitudes
woven thru history

are we not all born
and lost
in the shadow
of the temple
